FANTON®
FABBRICA MATERIALE ELETTRICO

Datasheet part no. 73244

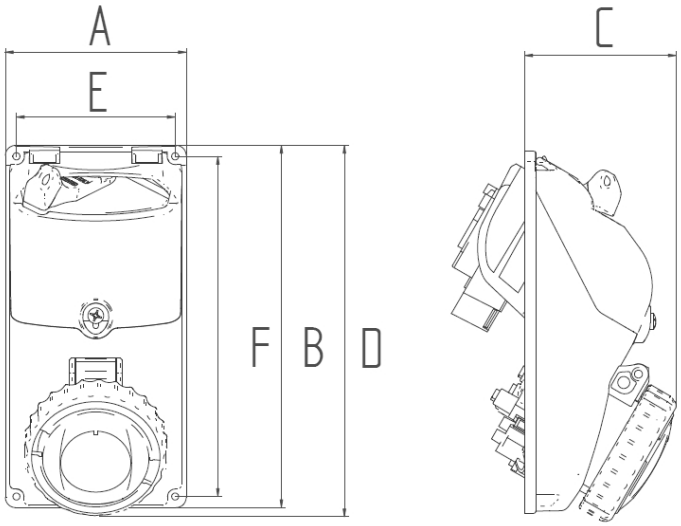

Flush-mounting interlocked socket KEY BLOCK 3P+E 16A 400V 6h IP67

- Protection Type: IP67
- Rated Current: 16A
- Poles: 3P+E
- Frequency: 50/60Hz
- Voltage: 380-415V~
- Without fuses.
- Earth Position: 6h
- Switch type AC21A and AC22A.
- Double insulation
- Brass bushings
- Color: grey RAL7035 and red.
- Lever switch with removable aluminium key.
- Mark: CE, MADE IN ITALY, IMQ.
- IK: 09
- Material: self-extinguishing, resistant to fire and shock.
- Packaging: carton containing 1 piece.
- Net Weight: 436g
